

ONLINE MASTERS ^{IN} ATHLETIC ADMINISTRATION

It Takes a Team to Build a Team

In sports, championships do not just happen. Before the first player ever puts on a uniform, another team has already taken the field. From the athletic director to team administrators to support staff, it takes a well oiled machine working behind the scenes to create winning athletic programs.

Affordable

Earn your Master's degree for \$11,451
(2022-2023 pricing)

Convenient

- Fully online and enrollment is fully open, which means all classes are offered throughout the school year and during the summer
- No graduate record examination required

Practical

- Class projects based on practical applications and athletic situations
- Work at your own pace
